INDEPENDENT CANDIDATE IN NORTHWEST DISTRICT.

Up in the Northwest District of Coffee county, where Joe Moore is the Democratic nominee, there is an independent in the race for County Commissioner.

We know the independent candidate, Frank Clark, and have always considered him a good man and a good Democrat. And we'll add further that we believe he has been unduly influenced to get into the race, and that he has no wish or desire to do so.

But the fact remains, nevertheless, that Mr. Clark is an independent. No matter what may have been told him, or what influence might have been brought to bear upon him to get in this race, he must stand before all Democrats as a violator of his primary pledge to support the nominee.

There is no middle ground. A man cannot participate in a Democratic primary, pledging himself by such action to support the nominee, and then run independent and still be a good Democrat.

We are well aware that there are instances wherein men are misinterpreted, not given a square deal. But such instances are the exception and not the rule. In the case of Mr. Clark, we are fully convinced that he was given every vote received in the primary and it is surprising that he should allow himself to be taken in by such enemies of Joe Moore. —Enterprise Ledger.

TRIBUTE TO SENATOR J. THOS. HEFLIN.

The following is the brief speech of a beautiful Tennessee girl presenting a bouquet of flowers to Senator Hefflin at the close of his term on October 1, at Paris, Tenn.:

"Senator Hefflin, these flowers come from the pure soil of the south. They are free from the touch of oil and as free from the taint of graft and corruption as are the hearts and minds of the splendid people who dwell among them. And men and women here and everywhere who believe in clean and honest government sincerely wish that your splendid efforts in behalf of such government may be crowned with the success that they so justly deserve."

PYTHIANS WILL CONDUCT CAMPAIGN DURING WEEK NOV. 17-22

The Alabama Pythian Home Campaign which is seeking to raise \$50,000 for the new orphan's home now about to be erected at Montgomery, by the Pythians of Alabama, announced that the week of November 17th to 22nd will be PYTHIAN HOME WEEK, and an intensive campaign will be waged for securing the quota of each lodge in the state.

J. F. Clements, who is chairman of the 16th District, has announced that each lodge's quota will be reckoned on the basis of its membership. As there are ten thousand members of the Order in Alabama, the quota of each lodge will be found by multiplying its membership by five. When every lodge brings up its quota the sum will total \$50,000, but it is expected that many lodges will go far beyond the minimum quota and the total will exceed \$75,000.

The District Chairman will organize a district committee composed of representatives of each lodge and this district committee will manage the campaign for the district. The same will be done in all sixteen districts of the state under the general management of S. L. Johnson, Grand Chancellor, of Amite.

Ground will be broken for the new home about January 1st, 1925, and when this is done it is expected that several large donations will be made as the prospective donors have indicated this.

The district convention for the 16th district in which Elba is located will be held in Dhan on Thursday, October 30, 1924. It is hoped that a representative from Riverside Lodge will be in attendance at the convention.

Sick Headache

"I have used Black-Draught when needed for the past 25 years," says Mrs. Emma Grimes, of Forbes, Mo. "I began taking it for a bad case of constipation. I would get constipated and feel just miserable—sluggish, tired, a bad taste in my mouth, and soon my head would begin hurting and I would have a severe sick headache. I don't know just who started me to taking

Thedford's BLACK DRAUGHT

but it did the work. It just seemed to cleanse the liver. When I found Black-Draught so easy to take and easy-acting, I began to use it in time and would not have sick headache again."

Constipation causes the system to re-absorb poisons which cause great pain and much danger to your health. Take Thedford's Black-Draught. It will stimulate the liver and help to dislodge poisons.

Sold by all dealers. Costs only one cent a dose. P-104

"TIRED OF LIVING," SLASHES HIS THROAT

Evergreen, Ala., Oct. 15.—Because he "was tired of living as he did not seem to be to making a success of life," Professor Bruce Rannels, principal of the Fair-Nelson Consolidated school of this city is said to have attempted suicide by slashing his throat with a safety razor blade at the residence of M. E. Fumell, here, where he boarded.

Mr. Fumell who had noticed the peculiar actions of Professor Rannels made his way into the back yard a few minutes after seeing his guest leave the house and found him laying on the ground. The instructor was laying with the wound in his neck to the ground, he believing death would come quicker through that method.

Medical assistance was summoned. Five stitches were required to close the wound which fortunately missed vital spots. It is believed Professor Rannels will recover. He is a graduate of Mississippi A. and M. College and is a native of Clarksville, Miss.

YOUTHFUL AXEMAN KILLS MOTHER AND SISTER.

Memphis, Tenn., Oct. 19.—Mrs. Celenburg Redditt, wife of a farmer, and her daughter, Susie, 16, were found Thursday by neighbors at their farm home near Cordova, a suburb, with their skulls crushed by blows with an axe, alleged to have been wielded by the woman's son, Quinby Redditt, 18. Mrs. Redditt and her daughter were alive and were rushed to Memphis. It was stated, however, that they probably will die. The youth was arrested and brought to jail here. No motive for the act has been ascertained but the theory is advanced that the youth said by neighbors to have been mentally sub-normal, possibly became angered because of some fancied wrong. It was stated that he made no statement to persons who took him into custody.

SUPREME COURT RULES IN FAVOR OF MRS. FERGUSON

Austin, Texas, Oct. 18.—"Ma" Ferguson is to have her chance to become the first woman to hold office in Texas this year, but despite the efforts of former National Committeeman Tom Love, who is organizing democrats to bolt their ticket, the bulk of the predominant party in Texas is expected to stay with "Ma."

Charles M. Dickson of San Antonio had brought suit in the fifty-third district court here for a writ of injunction keeping Mrs. Ferguson off the ballot on the ground that she was ineligible to hold office because of her sex. When the case came on for trial, it was appealed to the supreme court, which after a week's deliberation decided unreservedly in favor of Mrs. Ferguson.

SOUTHEAST ALABAMA FAIR WILL OPEN AT DOTHAN MONDAY, OCTOBER 27th

Dothan, Ala., Oct. 22.—

(Special to Clipper.) Mr. J. J. Whiddon, President, is about the busiest man in Houston County arranging final details of booking the various attractions for the Southeast Alabama Fair, which opens Monday, October 27th.

The exhibits of the Agricultural Hall this year will be particularly fine. They have always been the pride of the Fair but with the best crops in Southeast Alabama, that have been grown in five years, it is expected they will surpass previous efforts.

The Pan American Company which had charge of the fireworks display last year, and so greatly pleased all, will again furnish the fireworks and in addition to the usual display every night, have made special pieces for Klan Night (Wednesday) and Dothan Night (Thursday.)

One of the new features this year, that is expected to prove unusually popular is the inauguration of the Beauty Contest for Tuesday, for this \$300.00 are offered in prizes and it is thought this will be sufficient to bring in entries from towns and cities within a radius of seventy-five miles of Dothan. The prize money is divided into three prizes of \$150.00 for the first prize for the prettiest decorated float with the most charming young lady; the second prize being \$100.00; and the third \$50.00.

With the elimination of the Federal War Tax, the management has decided, notwithstanding the heavy increase of general expenses, to reduce the admission to 50 cents for adults and 25 cents for children. This will give admission to a larger and better Fair at pre-war prices, and they hope that the liberality of the management will be appreciated and that the reduced admission will be more than an offset by the increased attendance.

President Whiddon has combed the market for thrillers for the free acts and has secured five of the very best obtainable and guarantees they will please. Million Dollar Band, which is a band of National Reputation and which has already signed a contract to play for three months during the winter at Tampa, Florida, will furnish the music for the fair, playing two concerts daily and for the free acts.

The band concerts are alone well worth more than the price of admission.

Many Cash Prizes.—The Fair Management this year offers cash prizes that are sure to attract the very best in the way of exhibitors. In the agricultural department there is offered 146 cash prizes, running from \$1.00 up to \$125.00. In the live stock department, a total of 395 cash prizes with an addition of 29 special prizes for poultry. The Woman's Department offers 380 cash prizes; the Home Demonstration Department 16; the Educational Department 271 and in addition 151 cash prizes for the colored Educational Department. Few fairs offer such an attractive list of prizes. These are all shown in the eleventh edition of the Fair Catalogue which has recently been issued.

Entries are now coming in for the four day's races, and some good horses will be contenders for the prizes offered which amount to several thousand dollars. As usual Saturday afternoon will be devoted to Automobile races.

The letter "E" is the most commonly used in the alphabet "T" being second in use.

Great Britain, Canada, Italy and France have paid bonuses to their world war veterans.

A cement road for automobiles only, and without a speed limit, has been officially inaugurated by the King of Italy. The road extends thirty miles from Milan to Varese and will be extended to Lago Maggiore near the Swiss border.

A Complete Victory For Baptists

1. JUST AHEAD.

IF THE VICTORY IS EVER COMPLETED IT WILL BE WITHIN ABOUT THE NEXT SIXTY DAYS. AFTER THAT TIME NO GIFTS WILL COUNT ON THE 75 MILLION CAMPAIGN PLEDGES.

2. WILL MEAN EVERYTHING.

WILL CONSERVE THE NET RESULTS OF PAST ACCOMPLISHMENTS. NO RELIGIOUS BODY HAS EVER MADE SUCH RAPID FORWARD STRIDES AT HOME AND ABROAD AS HAVE SOUTHERN BAPTISTS THE PAST FIVE YEARS. IF WE FAIL NOW WE SHALL LOSE MUCH THAT HAS BEEN WON.

WILL HUSH THE MOUTHS OF GAINSAVERS. MANY PRO MARIQUOUS QUARTERS HAVE PREDICTED FAILURE FOR US SINCE THIS CAMPAIGN WAS LAUNCHED. SOME HAVE SAID, ED LIKE THEY WOULD NOT CRY IF WE SHOULD FAIL. COMPLETE VICTORY NOW WILL HUSH THEM UP FOREVER.

WILL EXPRESS OUR GRATITUDE FOR THE CONFIDENCE OUR GREAT GOD HAS REPOSED IN US. THE GREATEST SPIRITUAL PRIVILEGE OF THE AGES BELONGS TO THE SOUTH TODAY AND MOST OF THE RELIGIOUS PEOPLE OF THE SOUTH ARE BAPTISTS. THIS CONFIDENCE FROM GOD SHOULD RALLY EVERY BAPTIST TO HIS VERY BEST.

3. EASILY WON IN COFFEE COUNTRY.

IF ALL THE LEADERS OF THE CHURCHES WILL GET BUSY AT ONCE, IT ALL DEPENDS ON IMMEDIATE ACTION OF THE LEADERS. IF ALL THE CHURCH MEMBERS WILL LINE UP SACRIFICIALLY WITH THE LEADERS IN THE WOUND-UP CAMPAIGN. BROTHERS, PRAY, PLAN AND WORK QUICK FOR A COMPLETE VICTORY.

HOW DOCTORS TREAT COLDS AND THE FLU

To break up a cold over night or to cut short an attack of grippe, influenza or sore throat, physicians and druggists are now recommending Calabaz, the nameless Calabaz tablet, that is purified from dangerous and sickening effects. Those who have tried it say that it acts like magic, by far more effective and certain than the old style calomel, therefore recommended by physicians.

One or two Calabaz at bed time with a swallow of water—that's all. No salts, no nausea nor the slightest interference with eating, work or pleasures. Next morning your cold has vanished and your system feels refreshed and purified. Calabaz are sold only in original sealed packages, price ten cents for the post-pocket size; three five cents for the large family package. Recommended and guaranteed by druggists. Your money back if you are not delighted.—adv.

CHURCH OF CHRIST WILL HAVE BUILDING TO COST \$20,000.

Troy Herald says:
The Church of Christ continues its revival services at the tent. Monday evening the attendance was increased over the preceding service. W. T. Gridor, of Elba, was present and aided materially in the service. A. L. Shivers conducted the introductory song service in a very inspiring way.
This congregation of Christians will announce definite plans in a few days to get the necessary funds to erect a house of worship. Different civic clubs of the city have assured them they are willing to encourage the good work the church is doing in the city.
The house is to be a modest pressed brick structure. The auditorium will have seating capacity of 250 or 300. There will be Bible School apartments. The entire cost when completed is estimated to be twenty thousand dollars. The first unit built however, will be the main auditorium, which will not be more than ten or twelve thousand dollars. This church when thus equipped will add another unit as a work place for the making of a greater and better city and county. The good people of Troy are not of those who are afraid another Christian organization will in the least detract from its progress. In fact there are good christian people who will move to Troy to take advantage of her commercial and educational facilities when it is known that a church of their choice is permanently established. As the churches prosper so will the city.
